The Tenderer shall inform itself fully of all circumstances and conditions relating to submitting a Tender, including site visits if appropriate, and shall satisfy itself as to the correctness and sufficiency of the **RFT** documentation.
- 1.1.2. The timeframe for the supply of the Goods is given in the Special Conditions of Tendering (**SCT**) (see Section 2).
- 1.1.3. The Tenderer shall prepare its Tender using the Tender Response Schedules (**TRS**) as detailed in the **SCT**. In case of a consortium, association or joint venture, each member shall complete the **TRS** as detailed in the **SCT**. The completed and signed **TRS**, together with the required supporting documentation, will form the Tender and shall be the basis on which the Tender will be evaluated. Samples if required shall be supplied as detailed in the **SCT**.
- 1.1.4. A Tenderer who submits or participates as a member of a Consortium, Joint Venture or association in more than one Tender will cause all the Tenders with that Tenderer's participation to be disqualified. However, any firm or organisation is permitted to be a sub-contractor to more than one Tenderer.
- 1.1.5. The Tenderer shall prepare one original and three copies of the **TRS**, prepared in the English language. The Tenderer shall enclose the original and the copies, attaching the required supporting documents, in one sealed envelope (or parcel) and clearly mark it with the **RFT Goods** number, Tender description and the name and address of the Purchaser, the submission time and date and the Tenderer's name and address. 1.13.3. To assist in the examination, evaluation and comparison of Tenders, the Technical Officer may:

(a) Ask Tenderers for written clarification of their Tenders including breakdown of costs, but no change in the cost or substance of the Tender will be sought, offered, or permitted except as required to confirm the correction of arithmetical errors discovered by the Technical Officer during the evaluation of Tenders. The Tenderer shall within the time specified comply with any such requests.

(b) Make corrections for any computational errors. When correcting computational errors, in case of discrepancy between a unit cost and the total cost, or between words and figures the unit cost and words will prevail. For purpose of evaluating Financial Proposals, and if prices are quoted in other currencies if and when required by this RFT, prices shall be converted into VANUATU Vatu (VUV) using the selling rate of the Reserve Bank of Vanuatu, at the date for submission of the Tenders.

1.13.4. Any attempt by a Tenderer to influence the Technical Officer's evaluation of Tenders or the CTB's award decisions will result in the rejection of its Tender.

1.13.5. Preliminary Examination

Prior to the detailed evaluation of Tenders, the Technical Officer will determine whether each Tender:

- (a) Has been properly signed;
- (b) Is from an eligible Tenderer;
- (c) Is accompanied by the required Tender security (if required)
- (d) Has been completed in accordance with the **RFT**.

1.13.6. Detailed Evaluation

- (a) The specified qualifying criteria; and
- (b) The minimum technical specifications; and

(c) The completed Response Schedules provided in Section 4 of the **RFT**, as required in the **GCT** and **SCT**, accompanied by the required supporting documentation.

(2) A substantially responsive Tender is one which conforms to all the terms, conditions and specifications of the **RFT**, without material deviation or reservation. A material deviation or reservation is one that:

- (a) Affects in any substantial way the scope, quality, or technical specifications of the Goods specified in the **RFT**;
- (b) Limits in any substantial way the Purchaser's rights or the Tenderer's obligations under the Contract;
- (c) If rectified would affect unfairly the competitive position of other Tenderers presenting substantially responsive Tenders.

(3) If a Tender is not substantially responsive, it will be rejected by the Technical Officer as non-compliant and may not subsequently be made compliant by the Tenderer by correction or withdrawal of the nonconforming deviation or reservation.

1.13.7. Financial Evaluation

(1) Only those Tenders that are considered substantially responsive will be considered for the financial evaluation.

(2) In the event of arithmetic errors this will be corrected as follows:

- i. Where there is a discrepancy between the amounts in figures and in words the amount in words will govern;
- ii. Where there is a discrepancy between the unit costs and the line item total resulting from multiplying the unit cost by the quantity, the unit cost quoted will prevail

(3) Following this the Technical Officer will compare all evaluated Tenders and rank them accordingly, with the lowest evaluated Tender price being ranked No. 1, and so on.

(4) For evaluation and comparison purposes only, and if multiple currencies were allowed in tendering, all prices quoted shall be converted into VUV using the VUV selling rate of the Reserve Bank of Vanuatu, at the closing date for submission of the Tenders.

1.14. ACCEPTANCE OR REJECTION OF ANY OR ALL TENDERS

1.14.1 The Purchaser reserves the right to accept or reject any Tender, and to cancel the Tender process and reject all Tenders, at any time prior to the award of Contract, without thereby incurring any liability to the affected Tenderer(s).

1.15. APPROVAL AND NOTIFICATION OF CONTRACT AWARD

1.15.1. The Contract will be awarded to the Tenderer whose Tender is substantially responsive and offers the lowest price.

1.15.2. Following the approval of the award the award decision shall be notified to all participating tenderers and no contract may be entered before 10 days have elapsed from the date of such notification.

1.16. PERFORMANCE SECURITY

1.16.1. Together with the Contract, the successful Tenderer shall deliver, if required as per the **SCT**, to the Purchaser a Performance Security in the amount and for the period stated in the **SCT**, in the format specified in Section 7. The Performance Security shall be issued by an institution/authority acceptable to the Purchaser.

1.16.2. Failure of the successful Tenderer to submit a Performance Security, if required, will constitute sufficient grounds for the cancellation of the award.

1.16.3. In such an event, the Purchaser shall award the Contract to the next lowest price evaluated Tenderer whose Tender is substantially responsive and has been determined by the Purchaser to be qualified to satisfactorily perform the Contract, subject to the Purchaser's right to reject all Tenders in accordance with Clause 1.14.

1.17. DEBRIEFING OF UNSUCCESSFUL TENDERERS

1.17.1. Within 10 days of receipt of a written request by any unsuccessful Tenderer, but not before a contract is signed with the successful tenderer, the Purchaser shall communicate the reasons why its Tender was not successful.

1.18. SIGNING OF CONTRACT

1.18.1. 10 days after the notification of the award decision to all participating tenderers the Purchaser shall send to the successful Tenderer two (2) sets of the unsigned Contract.

1.18.2. The successful Tenderer may be required to provide documentation, or additional documentation, evidencing its qualifications prior to Contract signature.

1.18.3. Within 7 days of receipt of the two (2) sets of the Contract Agreement the successful Tenderer shall sign, date and return both to the Purchaser.

1.18.4. The delegated representative of the Government of Vanuatu on behalf of the Purchaser will sign both Contracts and return one to the Tenderer.

1.19. DISPUTES AND SETTLEMENT

1.19.1 Negotiated Settlement

(1) The Parties agree that the avoidance or early resolution of disputes is crucial for a smooth execution of the Contract and the success of the assignment. The Parties shall use their best efforts to negotiate all disputes arising out of, or in connection, with this Contract or its interpretation.

1.19.2 Failing successful negotiation any disputes will be settled by the courts in Vanuatu.
